### REV. WENSKE SAYS: Clothing, Plasma Needed for Lutheran 'Gift' Campaign

"A Gift to the World" is the title given the drive for clothing and blood plasma being sponsored by five Lutheran synods of Southern California, Arizona and Nevada through May 8.

First Lutheran Church of Torrance has joined the 225 Lutheran churches throughout the Southwest which are collecting 1000 pins of blood for our Korean soldiers and a "mountain" of clothes for destitute people in Korea and other countries.

A special contribution box has been placed in the church, 1610 Acacia Ave. and Rev. Paul Wenske began soliciting contributions Sunday from his pulpit and through the various church organizations.

The Lutheran Welfare Council, under the direction of Dr. Frederick A. Smith of Los Angeles, is coordinating clothing contributions.

The drive will end officially May 8 when the Lutheran "Gift to the World" will be presented to Dr. Paul C. Empe at the Joint Lutheran Convention in Los Angeles First Methodist Church. Dr. Empe, the principal convention speaker, is head of the USA Committee for Lutheran World Federation.

Dr. Alexander Stoddard, superintendent of Los Angeles schools and Mrs. Valley Knudsen will speak before luncheon. Discussion groups will be set up for the afternoon and the day will be concluded with a summary general session.

Sponsored by the Women's Division of the Chamber of Commerce, the workshop is open to all parents for a registration fee of 50 cents. Parking and child care will be provided without charge. Luncheon will be served for one dollar and parents bringing youngsters are asked to provide them with a sack lunch.
